

Yealmpton Environment Group (YEG)

Terms of Reference

1. The YEG is a committee of Yealmpton Parish Council and has been formed to advise Council on matters relating to its Environmental Policy.
2. The committee will provide a forum for co-ordination of environmental activities with nearby parishes and groups active in enhancing the environment locally, to reduce duplication and enhance effectiveness.
3. The committee will call on advice from relevant specialists as required to inform policy development and action plans.
4. The chairman will be elected by members of the Environment Group. Members of the group may be co-opted as required.
5. The chairman will report to Council meetings at least quarterly to provide Councillors with information on activities of the committee. The report will include advice to Council of action required consequent on new legislation, as advised by Sustainable South Hams.
6. The ESC will not support campaigns without prior approval of the Parish Council.
